PSB D-14c/1  
February 26, 1952

PSYCHOLOGICAL STRATEGY BOARD  
WASHINGTON 25, D. C.

RESOLUTION OF THE PSYCHOLOGICAL STRATEGY BOARD WITH REFERENCE TO THE  
PSYCHOLOGICAL OPERATIONS PLAN FOR THE REDUCTION OF COMMUNIST POWER  
IN FRANCE (PSB D-14c).

The following Resolution was approved by the Psychological Strategy Board at its Tenth Meeting on Thursday, February 21, 1952:

RESOLVED: The Board's approval of PSB D-14c is with the understanding that the specific actions set forth in that paper are permissive rather than mandatory, and are to be carried out in the discretion of the Ambassador and the Department of State. However, the fact that these actions are permissive in no way detracts from the Board's position: first, that the continued strength of the Communist movement in France is a source of continued concern to the United States, which must be made clear to the French Government at every appropriate opportunity; second, that the United States will make a determined effort to reduce this strength through the courses of action set forth in PSB D-14c; and third, that it is extremely desirable that French intentions in this connection be ascertained.

\* \* \*

This Resolution is an integral part of the above-titled psychological operations plan.

Colonel, U.S.A.  
Executive Officer
